WINEMAKER'S NOTES

Château des Charmes Vidal Icewine is a wonderfully sweet nectar. It exudes aromas of apricots and honey with a beautiful balance between fruit, sweetness and acidity. Icewine is a gift of winter to be enjoyed on its own or served with dessert.

Château des Charmes' renowned icewines have won numerous national and international awards including the International Wine and Spirit Competition Trophy in London, England where it was judged "Best Icewine Worldwide."

ACCOLADES

"Always one of Niagara's strongest Icewine producers, this new vintage stays on the beam with a quite intense nose of ripe peach/mango, lemon and herbs, with a touch of vinyl typical of many icewines. It's rich, sweet, elegant and just a little lower in acidity this vintage. Nicely bright; with excellent length. Very good +."
